Dear Professor,

That's wonderful news—congratulations to all the authors! I will share the project code and the acknowledgment statement shortly so it can be included in the final version of the paper.

Best Regards,

Dr. Nirmal

Subject: Notification - Decision on JESTPE-2024-08-1305.R3

10-Apr-2025

Dear Dr. B,

This is a notification that your manuscript entitled "A Sensor-Optimized MPC Strategy for Voltage Balancing in Medium Voltage Grid-Tied MMCs Using State Matrix Reduction and PS-PWM" has been accepted in its current form for publication in the IEEE Journal of Emerging and Selected Topics in Power Electronics (JESTPE).

At this time, please send all final versions of your final files along with the following items in the list below, any items that are missing

from this list may result in a delay in publication.

- Manuscript without underlines, highlights, and/or colored text (MS Word or LaTeX)
- Entire manuscript in double-column, single-spaced format (PDF)
- Figures and photos saved as separate files (PDF, MS Word, .eps, .ps, .tiff)
- Biographies and author photos (MS Word)

PLEASE READ:

If you originally submitted via the IEEE Author Portal, please upload your files here: <https://ieee.atyponrex.com/journal/JESTPE-IEEE>

If you originally submitted via ScholarOne Manuscripts, please upload your files here: <https://mc.manuscriptcentral.com/jestpe-ieee>

Before submitting, please make sure your final package is correct and complete upon submission. You will not be able to make changes after submitting your final files until you receive your page proofs from IEEE. A full set of final files must be submitted even if there are no changes from the accepted version since this goes to the publication team.

If your paper exceeds the maximum number of pages allowed, you will receive a bill to pay for the extra pages. Please make the payment as soon as possible to enable JESTPE to pay the IEEE for the extra pages.

More Information on Final Submissions: http://www.ieee.org/publications_standards/publications/authors/authors_journals.html.

Additionally, the comments of the reviewer(s) who reviewed your manuscript are included at the foot of this letter. JESTPE encourages authors to express their appreciation for the reviewers they believe made significant contributions to help improve their submission. This should be inserted after the conclusion section of the paper.

On behalf of the Editors of the IEEE JESTPE, thank you for your contribution and we look forward to your continued submissions to the Journal in the future.

Sincerely,
Dr. Hui Li
Editor, IEEE JESTPE
